

# Mystic WetFly™ Gear Totes

The WetFly™ Gear Tote from Mystic keeps your vehicle organized and all your gear in one spot. No more leaving the house with a wet boot and wader bag, a boat/gear bag and a couple of rod tubes. WetFly™ Gear Totes from Mystic holds it all.

It's a Backpack. The WetFly I is a backpack that is able to carry four, 41-inch rod tubes, waders, boots, and a weekend worth of gear. No more hiking in your waders! It's a Travel Bag. The wader compartment on all WetFly™ models is water tight so you don't have to worry about getting your other gear wet and dirty. Air travel is a breeze too. WetFly™ Gear Totes are durable enough to be checked a luggage. WetFly I is even allowed as carry-on in most larger airplanes.
